The Custom Collaborator's Getting-Started Checklist

Best place to sell: Commissions, interior designers & art consultants

- [ ] 1 Decide what you'll offer: subjects, sizes and materials, up to statement pieces
- [ ] 2 Know your floor and your profit price, and price the whole job: design, revisions, framing and delivery
- [ ] 3 Set starting prices for each option so you're not quoting from scratch
- [ ] 4 Make two or three sample pieces to show what you do
- [ ] 5 Write out your process: enquiry, deposit, sketch, final piece, delivery
- [ ] 6 Decide your deposit (often 50%, non-refundable) and how many revisions you include
- [ ] 7 Create a simple agreement covering price, timeline, revisions, deposit and copyright
- [ ] 8 Make a commission page or enquiry form with examples and starting prices
- [ ] 9 Set your trade discount for interior designers and art consultants (often 10–20%)
- [ ] 10 Introduce yourself to two or three local designers, and to businesses that buy corporate gifts
- [ ] 11 Check your business licence, tax registration and insurance for work in progress
- [ ] 12 Photograph every finished commission, and ask happy clients for a testimonial and a referral
