The Studio Devotee's Getting-Started Checklist

Best place to sell: Galleries & representation

- [ ] 1 Choose your focus: the subject, medium or style you want to be known for
- [ ] 2 Create a cohesive series of 10–15 pieces and photograph each one square on, in even light
- [ ] 3 Write a short artist statement (about 150 words), a bio and a simple artist CV
- [ ] 4 Keep an inventory: title, size, medium, date, price and where each piece is
- [ ] 5 Know your floor and your profit price, and check they still work after a 40–50% commission
- [ ] 6 Go to openings and shortlist two or three true galleries that show work like yours
- [ ] 7 Read each gallery's submission guidelines and follow them exactly
- [ ] 8 Before you sign, check exclusivity, how long work stays, rotation and who pays for what
- [ ] 9 Check your insurance covers your work in transit and on consignment
- [ ] 10 Keep building your own email list: the gallery's customer list isn't yours
- [ ] 11 Check your business licence and tax registration, and add a copyright line to every invoice
- [ ] 12 Follow up politely, and keep making while you wait
