The Market Maker's Getting-Started Checklist

Best place to sell: Craft fairs, farmers markets & pop-ups

- [ ] 1 Visit two or three markets as a shopper and note what sells, and at what price
- [ ] 2 Choose one beginner-friendly market and check its application dates and booth fee
- [ ] 3 Price every piece so it covers materials, your time and a share of the booth fee
- [ ] 4 Build a range: small impulse buys, mid-priced pieces and a few showstoppers
- [ ] 5 Make enough stock to fill your table, plus extras of your likely best-sellers
- [ ] 6 Practise your table setup at home, using crates or stands to add height
- [ ] 7 Label every price clearly so shoppers don't have to ask
- [ ] 8 Set up a card reader and bring a float of small change
- [ ] 9 Bring business cards or a QR code that leads to your Instagram or email list
- [ ] 10 Pack your kit: tent weights, tablecloth, bags, tape, water and snacks
- [ ] 11 Afterwards, note what sold, what people asked about, and your takings minus costs
